OCTOBER
2023

A MESSAGE FROM OUR PRINCIPAL

Dear Parents:

Our first Parent Advisory Council (PAC) meeting will be Tuesday, October 24 from 12-1pm in the Conference Room. The PAC provides a way for members of the community to consult with and offer advice to the principal and the school boards.

School councils:

- Focus on what is best for all students in the school
- Consider the interests of all school stakeholders
- Develop, maintain and reflect the culture of the school
- Represent the parent voice in the school community

Please consider joining us - it is a great opportunity to have a conversation about middle school education. Our other meetings this year will be on December 19, February 27 and April 30.
