

WESTGLEN SCHOOL

Monthly Highlights

February 2025

MRS. IS SKI TRIP TO NAKISKA

The 16th annual Mrs. Is Ski Trip to Nakiska will be held on March 28, 2025. Registration will open shortly and we will send out a notification. At that time, please fill out the form on Student QuickPay under New Items – choose the options you need and provide payment. You will need to enter shoe size, height and weight for the equipment rentals. Your child's spot on the field trip is not confirmed until payment is received. The Online Field Trip form will be sent out once you have registered and paid. After the first 100 students are signed up, any additional students will be placed on a wait list.

SEMESTER ONE REPORT CARDS

Semester One Report Cards are now available on your PowerSchool Parent Portal. They are not accessible on the mobile App, only on the PowerSchool website, and the link is below. When you log in to your Parent Portal, look on the left side of the screen for the blue icon that says Student Reports, and the new report card will be in the middle of the screen, under the Archived Reports area. Please contact the School Office if you need any help logging in. Parent-Teacher Interviews are coming up on March 4th and 6th. We will send out Sign Up information in the following weeks.

[PowerSchool Parent Portal](#)

This year's Science Fair will be on Friday, February 7th at the Ross Ford Elementary School gym from 8:45am - 2:30pm. Big thanks to Ross Ford for hosting our students from Westglen! Check out our Westglen School website for all the details!

Winter Dress Attire

With winter upon us, it is very important that students come to school dressed for the cold conditions along with warm, waterproof outdoor footwear. They also need to ensure they have a change of footwear to wear indoors as this helps keep our school clean!

Inclement Weather - *Preparing for Yellow Days and Red Days*

A friendly reminder to ensure that as a family you have a plan for your child in the rare event of a school closure due to severe weather. As a guiding principle, if The Weather Network says the wind chill in your area is lower than or at -40C it is a **Yellow Day** for Chinook's Edge students and no busses will be running. If it says the wind chill in your area is lower than or at -45C it is a **Red Day** for Chinook's Edge students and schools will be closed. Please remember that it is up to the Parents/Guardians to make the decision to send students on Yellow Days and we will support your decision. For more information about inclement weather days please click on this link

<https://www.cesd73.ca/parents/inclement-weather>

HOMEWORK CLUB

Homework Club is every Wednesday at 3:15pm – 4:00pm in the library!

YES Club (Youth Empowerment & Support)

The YES program is part of a province-wide initiative called Mental Health Capacity Building in Schools. It provides programs and activities to build resiliency skills in children and youth, and to support them to stay in school and succeed. YES Success Coaches work directly with students, creating social and recreational opportunities. This might include targeted group work, coordinating activities and resources with community agencies, or designing programs that encourage positive self-esteem, confidence and coping skills. YES Success Coaches provide classroom based universal mental health curriculum to promote awareness of mental health protective factors and enhance social and emotional development. We are happy to have Monica Gibson (Miss Monica) as our very own success coach here at Westglen School.

If your child is interested in participating in this program please have them **obtain a permission form** from the YES bulletin board by Miss Monica's room.
